

## H108C Conventional - 108 Day

H108C fits well in high stress environments where limited moisture is common. Has great drought tolerance and is a good fit for tough acres in western corn belt. Plant on your ground that needs a workhorse hybrid.

### Quick Description:

- Great drought tolerance
- Works on tough soils
- Goes west

<b>Maturity</b>	108	<b>Early Plant Vigor</b>	Very Good
