

H85C Conventional - 85 Day

H85C is a reliable hybrid for northern growers that shows good plant health and great early season vigor. This can be a good fit for acres where a stable hybrid is preferred due to environmental stresses.

Quick Description:

- Tolerates stress well
- Early season vigor
- Good plant health

Maturity	85	Early Plant Vigor	Very Good
Silking (GDU)	1090	Root Rating	Very Good
Black Layer (GDU)	2105	Stalk Rating	Very Good
